Minutes

The committee discussed the calendar of activities for this year's Sudan review, and research materials were distributed. Materials for the first round are due to Ursula on Friday, December 21st.

Sudan Subcommittee

Sara gave an overview of the meeting of the education subcommittee. The full committee was receptive to the idea of leveraging our website and co-sponsoring events. Alicia suggested work with STACC. We also discussed selecting a theme each year, (such as Responsibility") and sponsor our own event, while also creating resources on that subject (a briefing book) on the website. Members were asked to think more about concrete next steps.
