Code of Conduct and Fair Competition

It is the responsibility of the Bidder to notify the Columbia Representatives in writing of any possible conflict of interest as set forth below. Columbia will investigate the matter and determine if an actual conflict of interest exists.

A conflict of interest arises when a Columbia employee, officer or agent involved in the RFP process or Contract has a financial or any other interest in a Bidder. If a conflict of interest exists, the Bidder may not submit a Bid.

Columbia employees, officers and agents may neither solicit nor accept gratuities, favors, or anything of monetary value from Bidders, Contractors, or parties to sub-agreements. Any such actions must be reported to the Columbia Representatives immediately.

Columbia reserves the right to cancel the award if, in its sole discretion, it determines that any interest disclosed from any source could give the appearance of a conflict or cause speculation as to the objectivity of the program to be developed by the Bidder. Columbia's determination regarding any questions of conflict of interest shall be final.

Compliance with Federal, State and Local Laws

Bidder warrants in submitting a Bid and in the performance of an award as a result of the Bid, that Bidder has complied with, or will comply with, all applicable federal, state, University, and local laws, ordinances and all lawful orders, rules and regulations hereunder. The Bidder, by submitting the Bid or performance that results from an award by Columbia, agrees not to discriminate against any employee or applicant based on an individual's race, color, religion, religious creed, ancestry, national origin, age (except minors), sex, sexual orientation, marital status, medical condition (cancer-related) and disability, and otherwise as required or permitted by law. Bidder further agrees that any sub-contract will contain a provision requiring non-discrimination in employment as specified above. Any breach of this provision may be regarded as material breach of contract and cause for cancellation.

Limitation of Liability

Columbia makes no representations, warranties, or guarantees that the information contained herein is accurate, complete, timely, or that such information accurately represents the conditions that would be encountered in pursuing the work or at the site(s) of work now or in the future. The furnishing of such information by Columbia shall not create or be deemed to create any obligation or liability upon it for any reason whatsoever and each Bidder, by submitting its Bid, expressly agrees that it has not relied upon the foregoing information, and that it shall not hold Columbia liable or responsible therefore in any manner whatsoever. Accordingly, nothing contained herein and no representation, statement or promise, of Columbia, its directors, officers, agents, representatives, or employees, oral or in writing, shall impair or limit the effect of the warranties of the Bidder required by this Request for Bid and that it shall not hold Columbia liable or responsible therefore in any manner whatsoever.

Neither the Trustees of Columbia, nor any officer, agent, or employee thereof shall be charged personally with any liability by a Bidder or another or held liable to a Bidder or another under any term or provision of this RFP or any statements made herein or because of the submission or attempted submission of a response hereto or otherwise.

Qualification of Bidder

Bidder must possess the potential ability to perform successfully under the terms and conditions set forth in the RFP. Consideration shall be given to such matters as Bidder integrity; record of past performance; and financial and technical resources.

Columbia shall make such investigations as deemed necessary to determine the ability of a Bidder to provide the specified equipment and perform professional services.

Columbia reserves the right to reject any Bid if the evidence submitted by, or investigation of, such Bidder fails to satisfy Columbia that said Bidder is properly qualified to carry out the obligations of the final Contract.

Section 2 Submission of Bids

Preparation of Bid

By submission of its Bid, the Bidder agrees that the Bid is predicated upon the acceptance of all the terms and conditions stated in the Request for Proposal, unless specifically excluded by the Bidder in its Bid. Part or all of the RFP and the successful Bid may be incorporated into the Contract.

Each Bidder shall furnish the information and documents required by the RFP. Failure to submit all required information may deem a Bid as non-responsive. Columbia is exempt from Federal Excise Taxes and is also exempt from New York State and local sales or use taxes. All costs associated with the Contract must be stated in U.S currency. By submitting a Bid, Bidder certifies that the prices proposed have been arrived at independently, without consultation, communication or agreement for the purpose of restricting competition as to any matter relating to such prices with any other Bidder or competitor. Bidders are cautioned to write all descriptions and prices clearly so there is no doubt as to the intent and scope of the Bid.

A person who is legally authorized to bind Bidder to a Contract shall sign the Bid. A Bid submitted by an agent shall have a current Power of Attorney attached, which evidences the agent's authority to bind Bidder. The person signing the Bid shall initial erasures or other changes.

Unnecessarily elaborate Bids beyond what is sufficient to present a complete and effective Bid are not desired and may be construed as an indication of the Bidder's lack of cost consciousness. Elaborate artwork, expensive paper and bindings are neither necessary nor desired. The cost incurred for the preparation of the Bid is the sole responsibility of the Bidder. Columbia does not assume any liability for any pre-contract activity and/or cost incurred by Bidders responding to this RFP.

Bid information is not considered confidential or proprietary. Trade secrets and other proprietary data contained in Bids may be held confidential if the Bidder requests, in writing, that Columbia does so, and if Columbia agrees, in writing, to do so. Material considered confidential by the Bidder must be clearly identified. Such confidential/proprietary information must be easily separable from the non-confidential sections of the Bid. Marking the entire Bid as proprietary will be neither accepted nor honored. Notwithstanding any of the foregoing, Columbia reserves the right to use any of the ideas presented in any reply, Bid, discussion, negotiations or presentation related to the RFP.

If a Bidder intends to use subcontractor(s), the Bidder must identify in its Bid the names of the subcontractors and the portions of the work the subcontractors will perform.

Communications Regarding the RFP

Requests for clarification and interpretations of the RFP must be made in writing via email during the period of March 15, 2023-April 10, 2023. All questions regarding the RFP shall be directed to the Columbia Representatives in writing by e-mail. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the RFP. Other questions may be more complex and may require a written amendment to the RFP. The Columbia Representatives will make that decision.

The Columbia Representatives shall make clarifications, interpretations, corrections, and changes to the RFP by written Addenda as specified below. **Questions will not be answered and clarification will not be given after April 10, 2023.**

Addenda to RFP

Addenda to the RFP will be issued in writing and will be communicated to all Bidders by e-mail and shall become part of the RFP. If the RFP is amended, all terms and conditions that are not modified by the Addenda remain unchanged and in effect as written. If an addendum is issued after Bids have been received and/or after a short list has been developed, the addendum may be provided only to those who submitted Bids or only to those on the short list, in the sole discretion of Columbia.

Each Bidder shall be responsible for making sure it has received all issued Addenda prior to submitting a Bid. **Addenda may be issued through April 13, 2023.**

Columbia reserves the right to change the RFP schedule and to issue addenda. Columbia also reserves the right to cancel, reissue, or to make corrections or amendments to the RFP due to errors or changes identified by Columbia or suggested by a Bidder, and to otherwise modify the terms of the RFP at any time in its sole discretion.

Submission of Bids

Bids are to be received at the designated email addresses (see page 3) on or before the date and time specified as the Bid Deadline in the RFP. **Oral, telephone or facsimile Bids will not be considered.**

In the event it is required for physical bid proposals to be provided, bids shall be submitted in a sealed envelope or package as follows:

- 1 Addressed to the address specified on the cover page of this RFP,
- 2 Show the Bid Name, "**New York City Poverty Tracker**",
- 3 Give the Bidder's name, primary contacts address, and
- 4 Show the date and time of the Bid Deadline as specified in this RFP

Columbia, or any Columbia representatives, officers, or employees, will not be held responsible for the pre-opening of, post-opening of, or the failure to open a Bid not properly addressed and identified.

Alternate or Substitute Bids

Bidders may submit more than one Bid. Alternate or substitute Bids must comply with the terms and conditions of the RFP and must contain all required documents as specified in the RFP.

Columbia is seeking Bids that meet its **minimum** requirements as outlined in the Scope of Work. If more than one method of meeting these requirements is proposed, each should be labeled primary, secondary, etc., submitted separately, and they will be evaluated in the specific priorities.

Late Submissions, Modifications, and Withdrawals of Bids

Late Bids: Bids received after the specified Bid Deadline will not be considered and shall be returned to the Bidder unopened.

Bid Modifications: Prior to the Bid Deadline, a submitted Bid may be modified by written notice, signed by a duly authorized person on behalf of the Bidder, to the Columbia Representative. The written notice shall be worded as not to reveal the amount of the original Bid.

Bid Modifications must contain all required documents as specified in the RFP. Failure to submit all required information can deem the Bid Modification as non-compliant and the contents of the Bid Modification will not be considered.

A previously submitted Bid will not be returned, unless written notice, signed by a duly authorized person, from the Bidding Company is received by the Columbia Representative.

Bid Withdrawal Notifications: Prior to the Bid Deadline, a submitted Bid may be withdrawn by written notice to the Columbia Representative up until the Bid Deadline. Written requests to withdraw must be signed by a duly authorized person on behalf of the Bidder and shall not reveal the amount of the Bid. Bids may not be modified, or withdrawn after the Bid Deadline.

A withdrawn Bid may be resubmitted prior to the Bid Deadline. All resubmitted Bids must fully comply with the RFP. Columbia will only consider the latest version of the Bid.

Section 3 Evaluation of Bids

Opening of Bids:

The assigned Columbia Representatives will not accept Bids after the specified date and time. Bid services and pricing will not be publicly announced. Bids will be reviewed and evaluated by Columbia. At any time, and from time to time after the opening of the Bids, Columbia may give oral or written notice to one or more Bidders to furnish additional information relating to its Bid and/or qualifications to perform the services contained in the RFP, or to meet with designated representatives of Columbia. The giving of such notice shall not be construed as an acceptance of a Bidder's Proposal.

All materials submitted in response to this RFP become the property of Columbia. Selection or rejection of a response does not affect this right. All copyright of materials produced under any contract or subcontract awarded as a result of this RFP shall be retained by Columbia. All forms of documents and data generated as a result of this contract are owned by and shall be delivered to Columbia at the direction of the Columbia Representative. During the period of performance, the information may not be disclosed by the Bidder to third parties, except as expressly provided in the Contract, without the written permission of the Executive Director of Purchasing.

Postponement of Bid Opening

If an emergency or unanticipated event interrupts normal University processes to cause the postponement of the scheduled Bid opening or the issuance of an addenda, the Columbia Representative will issue, in writing, to all Bidders, the new timeline and process.

Bid Evaluation and Selection Criteria

Evaluation Criteria

Columbia may use a variety of procedures and techniques in evaluating Bids and Bidders, including, but not limited to, creating a short list of Bidders, using upset levels, banding, comparative pairing, and price conversion techniques, requesting Best and Final Offers, conducting discussions, oral interviews and presentations, site visits, and negotiations, checking references, determining financial capability, and performing reevaluations of Bids as necessary. Through use of any procedure or technique, Columbia may limit the number of Bids to one or more that it will continue to consider. Columbia reserves the right to reject any Bid that does not meet prerequisites or minimum requirements or which scores below average on any of the criteria.

For Bids that are being engaged through the use of Sponsored funds, the evaluation criteria will be provided as an additional appendix of this RFP document.

Selection

Columbia reserves the right to make an award without further discussion of the Bids submitted; there may be no best and final offer procedure. Interviews and negotiations may be conducted with one or more of the Bidders, but there shall be no obligation to receive further information from any Bidder. Therefore

each initial offer should contain the Bidder's best terms from a cost or price, service, and technical standpoint.

Columbia may consult references familiar with the Bidder regarding its prior operations and projects, financial resources, reputation, performance, or other matters. Submission of a Bid shall constitute permission for Columbia to make such inquiries and authorization to third parties to respond thereto. Columbia may elect to initiate contract negotiations with one or more Bidders including negotiation of costs/price(s) and any other issues or terms and conditions, including modifying any requirement in the RFP. The option of whether or not to initiate contract negotiations rests solely with Columbia. No Bidder shall have any rights against Columbia arising from such negotiations. The Bidders will be responsible for their travel and per diem expenses, required for any presentations, discussions, and/or negotiations.

Columbia reserves the right to award the Contract to a supplier other than the Bidder presenting the lowest price. The Contract resulting from this solicitation will be awarded to the Bidder(s) whose Bid(s) Columbia believes will be the most advantageous to Columbia. The release of the RFP does not compel Columbia to purchase or to make an award. Columbia shall not be obligated in any manner to any Bidder whatsoever until a written Contract has been duly executed relating to an approved Bid.

Columbia reserves the right to award multiple contracts for the products, work and/or services that are the subject matter of this Bid and Bidder(s) are hereby given notice that they may not be Columbia's only Contractor or Bidder for such products, work and/or services.

As a result of the selection of a Bidder to supply products and/or services to Columbia, Columbia is neither endorsing nor suggesting that the Bidder's product or service is the best or only solution. The Bidder agrees to make no reference to Columbia in any literature, promotional material, brochures, sales presentation or the like without the express written consent of Columbia.

The Bidder will be expected to enter into a Contract with Columbia which is substantially the same as the contract included with this RFP. In no event is a Bidder to submit its own standard contract terms and conditions as a response to this RFP. If a Bidder objects to any of the provisions of Columbia's standard contract, it must identify in the Bid any clauses which are unacceptable and the reasons or problems and propose alternatives. The foregoing should not be interpreted to prohibit either party from proposing additional contract terms and conditions during negotiation of the final contract.

Rejection of Bids

Columbia has the right to reject any and all Bids for any reason.

Notification of Award

The Columbia Representative will issue "Notification of Award" letter(s) once a selection has been made.

SCOPE OF WORK (“SOW”)

I. Introduction

The Columbia Center on Poverty and Social Policy (CPSP) is soliciting proposals from survey research organizations to complete 2,000-2,500 brief surveys with a random probability sample of New York City residents who speak English or Spanish. Specifically, CPSP seeks proposals for a study sample size of 2,000, 2,250, and 2,500 unique, unduplicated English or Spanish surveys.

We also seek proposals for an augmented probability sample of approximately 400-800 unique, unduplicated Chinese-origin New Yorkers (referred to as the Chinese oversample) who could complete a telephone survey in English or Mandarin, or an online or mail survey in Simplified/Traditional Chinese or English. We envision this could be achieved with an oversample of respondents generated from zip codes with large concentrations of Chinese-origin New Yorkers, but welcome responses that include other strategies so long as the resulting sample is a probability sample. We define Chinese origin as respondents who self-report that they are of Chinese descent on the initial survey. Please propose pricing for this addition separately. CPSP seeks proposals for a Chinese oversample study sample size of 400, 600, or 800 predominantly Mandarin speaking Chinese oversample surveys.

The Poverty Tracker study is an ongoing study of rotating 6-year panels, refreshed every two years. Surveys include measures of: income poverty, material hardship, and child and family well-being. This RFP is related to refreshing our panel in early 2024.

II. Description of The New York City Poverty Tracker

A. Sample

The Poverty Tracker is intended to obtain a fuller measure of poverty and disadvantage in New York City than can be obtained using standard Census data. The refresh sample will target a random cross-section of 2,000 adult New York City residents from all boroughs. The Chinese oversample will provide an oversample of Chinese-origin adult (18+) New York City residents who speak English or Mandarin or who can complete web-based surveys in simplified or traditional Chinese or English.

B. Study Design

Participants will be recruited using probability-based sampling techniques. Historically, participants were recruited through Random Digit Dialing. However, with response rates declining and costs of obtaining such samples increasing, the study is open to consideration of alternative sampling designs, *including but not limited to* Address Based Sampling (ABS). The only screening criteria will be adult age, resident of New York City, and English-, Spanish-, or Mandarin- speaking (or simplified or traditional Chinese in the case of web/mail surveys). Sources of duplicate listings, and procedures for deduplication, should be described.

One eligible adult from each household will be randomly selected to be interviewed. The survey administered will take 10 minutes, on average, and will collect information on respondent characteristics, recent experiences, and views of New York City. At the conclusion of the interview, survey participants will be asked to enroll in a follow-up panel and contact information will be recorded for those who agree. Follow-up interviews will be conducted at Columbia University so should not be budgeted.

Surveys with participants who choose not to enroll in the follow-up panel are still counted as complete. All analysis and post-stratification weighting will be conducted in-house at Columbia University, and should not be budgeted.

C. Timeline

Proposals should include a timeline for completion. The initial survey administration is expected to begin by January 2024 and to be complete or nearly complete by early April 2024. We are also open to pilot studies or staggered designs beginning earlier in the fall of 2023 if proposed methodologies differ from the client's past RDD design choices. These pilots or alternative designs should be accompanied by detailed budgets when they deviate from the primary proposed designs.

D. Client reports and data files

The survey firm will provide client with weekly disposition reports and twice-monthly data files, with a final cleaned data file for the refresh sample by April 15, 2024. All open-ended coding and cleaning will be conducted in house so should not be budgeted.

E. Response Rates

We anticipate response rates in line with other recent academic surveys of the New York City population. The survey firm should provide expectations of response rates (based on AAPOR standard calculations). For scenarios involving the Chinese oversample of New Yorkers, these response rates should be adjusted based on expected completion rates. Providing specific examples of having achieved comparable response rates, in New York City, will be received favorably.

F. Incentives

If used, prepaid incentives should be included in the budget. There will be a \$15 incentive for completed surveys. CPSP will consider providing higher incentives for the Chinese oversample, which is expected to be hard- to-reach. Incentive payments will be issued by Columbia, and cost of the incentives and incentive administration should not be included in the budget. However, the budget should include the cost of weekly provision of contact information for respondents completing the survey.

G. Questionnaire

The survey instrument will be comprised of 10 minutes worth of questions, on average, and will include no more than 2 open-ended questions. While the instrument that will be delivered to the survey research firm will have been extensively tested in house, we expect the survey research firm to field-test it prior to the start of the actual field period to ensure that there are no programming bugs.

H. Translation

The survey contractor will be expected to administer the questionnaire in Spanish and Mandarin/Simplified Chinese as well as English. Translated versions of the questionnaire will be provided by CPSP.

III. Responses

We recommend that responders use the outline provided below as the format for their responses:

1. Qualifications
2. Corporate Experience
3. Corporate Capabilities
4. Timeline
5. Budget(s)

MINORITY AND LOCAL PLAN

What operations, if any, are currently located in the New York Empowerment Zone (NYEZ)? Can you present options how this area of the Columbia community can be integrated into this program?

See below for zip codes that comprise this referenced area.

- We encourage bidders to explore potential partnering or subcontracting arrangements with MWL vendors to maximize Minority & Local participation. Please detail any plans you may have with regard to creative partnering or subcontracting with MWL vendors.

NYEZ zip codes:

- 10025 – 10027
- 10029 – 10040
- 10451
- 10454
- 10455
- 10474

Columbia attaches great importance to the bidder's ability to utilize MWL (Minority, Women, and or Locally) owned businesses in the performance of this contract. This can be accomplished by, 2nd Tier MWL vendor usage, opening of a facility within the New York Empowerment Zone (NYEZ) region, maximization of minority, women owned and local subcontract participation and innovation in recruitment and training of employees through community work force development.

What operations, if any, are currently located in the New York City area (includes 5 boroughs)? Can you present options how this area can be integrated into this program?

1. Scope. Service Provider agrees to perform the services described in Attachment 1 (the “Services”).
2. Payments. Conditioned upon Service Provider’s performance of the Services in accordance with this Agreement, Columbia will pay Service Provider the amounts specified in Attachment 1 (the “Statement of Work”). The payments specified in Attachment 1 represent Columbia’s total financial commitment to Service Provider for all Services and deliverables, and other obligations under this Agreement.
3. Performance of Services.

(a) Service Provider will perform the Services in a timely manner and in accordance with any project schedule set forth in Attachment 1. The parties agree that “time is of the essence” with respect to Service Provider’s performance.

(b) Service Provider will assign qualified and experienced personnel to perform the Services. Where Attachment 1 identifies specific Service Provider personnel, these individuals will remain assigned to provide the Services throughout the term of this Agreement, in accordance with their roles and responsibilities identified in Attachment 1, unless otherwise approved in writing by Columbia. However, if Columbia objects to the manner of performance of any Service Provider personnel (including any third party contractors or agents of Service Provider), Service Provider will promptly take all necessary actions to rectify the objections, including, if requested by Columbia, the prompt removal of the individual from the provision of Services to Columbia. If it becomes necessary to replace any personnel, Service Provider will provide as a replacement a person with equivalent or better qualifications, as approved by Columbia (such approval not to be unreasonably withheld).

(c) Columbia will have a reasonable opportunity (not to exceed 30 days, unless otherwise specified in Attachment 1) to review all deliverables or Services provided to Columbia under this Agreement. If Columbia informs Service Provider of a deficiency in the deliverables or Services, Service Provider will promptly make corrections and re-submit them to Columbia for review and approval. Service Provider will not charge Columbia for the time and expense in making corrections to deliverables that fail to comply with the requirements of this Agreement. If Service Provider is not able to timely make all appropriate corrections, Columbia may elect to terminate the applicable Statement of Work(s), in which event Service Provider will promptly refund any amounts previously paid by Columbia for work not performed in accordance with this Agreement. Nothing in this clause (c) will excuse Service Provider from meeting any delivery or project schedule set forth in Attachment 1.

(d) Service Provider will provide timely and complete status and other reasonable reports to Columbia at least once each month or as otherwise required by Attachment 1. Status reports will identify anticipated or actual project delays or issues in reasonable detail. If Service Provider believes that Columbia is failing to perform any activity or obligation that will delay or interfere with Service Provider’s performance of this Agreement, Service Provider will promptly notify Columbia’s Project Manager in writing, and will cooperate with Columbia’s efforts to resolve the matter. Columbia’s failure to perform any activity or obligation will not excuse Service Provider’s delay or nonperformance, unless Service Provider provides timely notice to Columbia in accordance with this Agreement.

4. Warranties.

(a) Each of Service Provider and Columbia warrants that it has the requisite power and authority to enter into and perform its obligations under this Agreement. Service Provider warrants that it is not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any governmental department or agency.

(b) Service Provider warrants that it will perform the Services (i) in a diligent and highly professional manner, (ii) in accordance with applicable law; and (iii) through experienced individuals qualified to perform the Services. Service Provider will obtain all required governmental and third-party licenses, approvals, and permits appropriate for the provision of Services and deliverables.

(c) Service Provider warrants that all deliverables will be developed in accordance with the quality standards of the applicable industry, and will meet in all respects the requirements set forth in Attachment 1. Service Provider further warrants that the Services and deliverables will not infringe or misappropriate the rights of any third party, and that Service Provider has all power and authority to convey ownership of the Services and deliverables to Columbia in accordance with this Agreement.

5. Confidentiality.

(a) Service Provider will treat as confidential all data, records, accounts, and other information regarding Columbia and its affiliates that become known to Service Provider or is generated by Service Provider through its activities hereunder, including information regarding Columbia's and its affiliates' operations, policies, procedures, faculty, employees, students, information technology systems, and financial information and plans ("Columbia Confidential Information"). Columbia Confidential Information includes the Services and deliverables. Service Provider's confidentiality obligations include establishing and maintaining appropriate safeguards, procedures, and systems to avoid the unauthorized destruction, loss, alteration, access to, or disclosure of any Columbia Confidential Information, in accordance with the standards of the applicable industry and as otherwise required by applicable law.

(b) Columbia will treat as confidential all of Service Provider's proprietary methodologies, software and materials that Service Provider provides to Columbia hereunder and which are marked "Confidential" or "Proprietary" ("Service Provider Confidential Information"). In no event will Service Provider Confidential Information be deemed to include any Columbia Confidential Information.

(c) During and after the term of this Agreement, neither party will use or disclose the other party's Confidential Information, except for the purpose of providing, receiving or using the Services in accordance with this Agreement, or as may be required by law, regulation or court order. Service Provider will obtain from all subcontractors and agents authorized to perform the Services under this Agreement a signed written statement agreeing to the confidentiality provisions herein.

(d) The obligations of confidentiality under this Section do not apply to any information to the extent it: (i) was known to the receiving party prior to such party's receipt of or access to that information under this Agreement, (ii) was or becomes a matter of public information or publicly available through no act or failure to act on the part of the receiving party, (iii) is acquired from a third party entitled to disclose the information without obligation of confidentiality, or (iv) is developed independently and without use of the disclosing party's Confidential Information.

6. Ownership Rights.

(a) All deliverables to be provided under this Agreement, and any invention, improvement, discovery, or innovation (whether or not patentable) made, conceived or actually reduced to practice by Service Provider in the performance of Services hereunder, (collectively the “Work Product”) will be owned exclusively by Columbia, including all proprietary and intellectual property rights therein. To the fullest extent permissible under law, the Work Product will be a “work made for hire” for the University. To the extent not automatically vested in Columbia, Service Provider hereby assigns to Columbia all right, title and interest in and to the Work Product, including, without limitation, copyright, patent, and trade secret rights. Upon Columbia’s request, Service Provider will execute any additional documents necessary for Columbia to perfect its ownership rights.

(b) Notwithstanding the foregoing, Service Provider will retain ownership of its pre-existing and proprietary materials and other intellectual property that may be incorporated into the Work Product, provided that Service Provider will inform Columbia in writing before incorporating any pre-existing material or pre-existing intellectual property into the Work Product. Service Provider hereby grants Columbia a perpetual, irrevocable, royalty-free, worldwide right and license (with the right to sublicense) to freely use, make, have made, reproduce, disseminate, display, perform, and create derivative works based on such pre-existing materials and intellectual property as may be incorporated into the Work Product or otherwise provided to Columbia in the course of performing the Services.

7. Indemnity.

(a) Service Provider will indemnify, hold harmless and defend Columbia, its trustees, officers, faculty, students, agents, and employees against any and all damages, suits, actions, claims, liabilities, losses, judgments, costs and expenses arising out of or relating to (i) any personal or bodily injury (including death) or property damage caused by Service Provider’s negligent, willful, or unlawful acts or omissions or breach of this Agreement, (ii) breach of Service Provider’s confidentiality obligations, or (iii) an infringement or misappropriation of any third party intellectual property or proprietary rights (including, without limitation, trademark, trade secret, copyright or patent) by the Services or Work Product.

(b) Columbia will provide prompt written notice to Service Provider of any claim that Service Provider is obligated to indemnify under this Agreement. Service Provider will be permitted to control the defense of the claim and any related settlement negotiations, and Columbia will cooperate (at Service Provider’s expense) with the defense and settlement of the claim. In seeking to settle a claim, Service Provider may not purport to accept or expose Columbia to any liability, or admit to any fault, unless approved in writing in advance by an authorized representative of Columbia. Columbia will have the right, at its option and expense, to participate in the defense of any suit or proceeding through counsel of its own choosing.

8. Disputes.

(a) The parties will make good faith efforts to resolve any dispute concerning this Agreement prior to commencing litigation.

(b) Columbia will not be deemed in breach of this Agreement for withholding any portion of payment that Columbia is disputing in good faith. Columbia will, however, make prompt payment of any portion of an amount not under dispute.

(c) The laws of the State of New York will govern all rights, duties, and obligations arising from or relating in any manner to this Agreement, without regard to conflict of laws principles. Any and all claims arising from or relating to this Agreement will be heard either in United States or New York State courts located in the City and County of New York.

9. Use of Name. Service Provider will not use the name, insignia, or symbols of Columbia, its faculties or

departments, or any variations or combination thereof, or the name of any trustee, faculty member, other employee, or student of Columbia for any purpose whatsoever without Columbia's prior written consent.

10. Term and Termination.

(a) The term of this Agreement is from _____, 20__ to _____, 20 , unless otherwise terminated in accordance with this Section. The Statement of Work will begin on the Effective Date and will end when Service Provider and Columbia have completed their obligations there under, unless otherwise stated in the Statement of Work.

(b) Columbia may terminate this Agreement in whole or in part at any time without cause upon at least 15 days written notice to Service Provider. If this Agreement is a subcontract (with Columbia being the contractor to another party, and Service Provider being Columbia's subcontractor), then Columbia may immediately terminate this Agreement upon written notice to Service Provider if the prime contract is terminated for any reason.

(c) Columbia may terminate this Agreement for Service Provider's breach upon at least 10 days written notice to Service Provider, unless during such notice period Service Provider fully cures the breach to Columbia's reasonable satisfaction.

(d) Service Provider may terminate this Agreement for Columbia's breach for failure to pay any amounts then due upon at least 30 days written notice to Columbia, unless during such notice period Columbia fully cures the breach.

(e) If Columbia terminates this Agreement without cause, Columbia will promptly pay Service Provider for its Services performed through the effective date of termination, in accordance with the terms of this Agreement.

(f) In the event of any termination, or at any time upon Columbia's request, Service Provider will: (i) immediately return to Columbia any Columbia proprietary materials and information in Service Provider's possession or control, including without limitation all Columbia Confidential Information and any deliverables then under development; and (ii) at Columbia's request, cooperate with Columbia in the transition of the work performed under this Agreement to Columbia or its designee.

(g) Any provisions of this Agreement (including, but not limited to, confidentiality and indemnity obligations) that by their nature extend beyond termination will remain in effect in accordance with their terms.

11. Insurance.

(a) Service Provider will maintain, at its own cost and expense, the following types and amounts of insurance with insurers rated "A" "VII" or better by A.M. Best and licensed in the State of New York:

These insurances shall be primary and shall be written to cover claims incurred, discovered, manifested or made during or after the expiration of this Agreement. Insurance procured by Service Provider shall not reduce or limit Service Provider's obligation to indemnify and defend Columbia University or Service Provider's liabilities for claims made or suits brought which result from or are in connection with the performance of this Agreement. Any insurance Columbia University may purchase shall be excess and non-contributory.

(b) Prior to commencement of the work, Service Provider will deliver certificates of insurance to the University providing evidence of the coverage required above. Each certificate of insurance, with the exception of Professional Liability, Workers' Compensation and Employers Liability Insurance, shall name The Trustees of Columbia University in the City of New York, its trustees, officers, agents and employees as additional insured.
