

## ChartString Introduction to General Ledger in ARC

For Demonstration Purposes Only

The ChartString for the selected ChartFields as seen on the Journal Lines page:

Lines	Select	Line	*Unit	Account	Dept	PC Bus Unit	Project	Activity	Initiative	Segment	Site	Fund	Funct
1	<input type="checkbox"/>	1	COLUM	40000	0102102	CAPTL	CP001005	01	10001	01000001	1002	01	010

Changing any of these ChartFields changes the ChartString, e.g. if account was **60010**
