Adding a Hotel/Lodging Expense to a Travel Expense Report

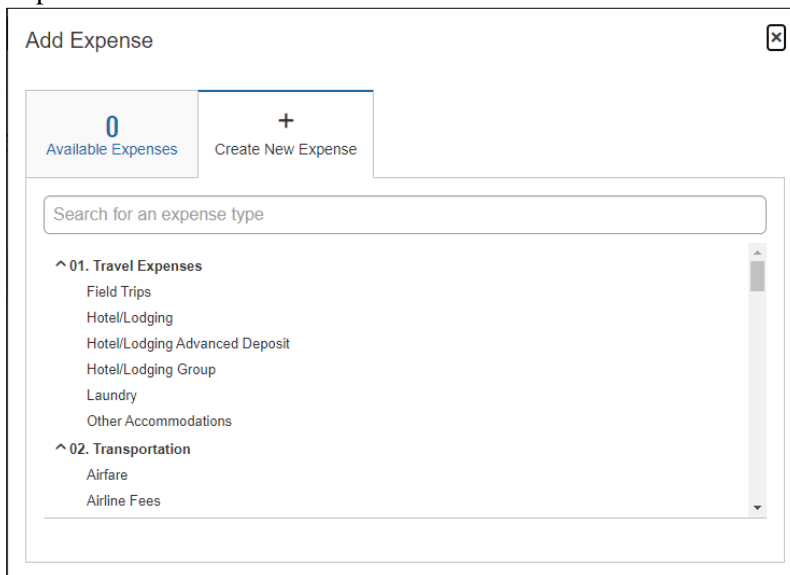

You cannot submit a Hotel/Lodging Expense for reimbursement until after the trip end date. If you need to purchase hotels/rentals in advance, you should use the Corporate Card. If you do not have a Corporate Card and do not want to be out of pocket, you can request a Travel Cash Advance in Concur.

After initially creating your Travel Expense Report, you will be on the Manage Expenses screen of your Report.

1. Click **Add Expense**.

The Add Expense screen appears. If you used Concur Travel to book the hotel, the Expense would be listed in **Available Expenses**. In addition, if you have a Corporate Card, the Expense would also be available in Available Expenses.

2. Click **Create New Expense** for this example.

3. You can type the **Expense Type** to find it from the list.

4. Select the **Hotel/Lodging** Expense Type.

Note: Any payments for hotels/rentals made in advance as a personal expenditure will not be reimbursed until after the trip end date. Use the Hotel/Lodging Advance Deposit expense type in Concur after the trip end date to be reimbursed for deposits.

Completing the Expense Details

Complete the details for the hotel stay. Some of the details, such as Trip Type and Purpose, are automatically populated based on what you entered when you created the Expense Report.

The screenshot shows the 'New Expense' form with the 'Details' tab selected. The form includes the following fields and options:

- Expense Type:** Hotel/Lodging
- Check-in Date:** MM/DD/YYYY
- Check-out Date:** MM/DD/YYYY
- Nights:** 0
- Transaction Date:** MM/DD/YYYY
- Trip Type:** Domestic / Non-Travel
- Purpose:** Research
- Was a spouse/significant other/dependent present for business reasons:** No
- Subject to Govt (GSA) Rate:** No
- Vendor Name:** Search for Vendor
- Lodging Location:** [Dropdown]
- Payment Type:** Cash/Personal Credit Card
- Amount:** [Text Field]
- Currency:** US, Dollar

A large red box highlights the 'Attach Receipt Image' button on the right side of the form.

1. Enter or select the **Check-in Date**, **Check-out Date**, and the **Transaction Date**, which defaults to the Check-out Date.
2. If applicable, indicate if **a spouse/significant other/dependent was present for business reasons**.
3. Select the **Vendor Name (Hotel)**.
Note: *If you cannot find a matching hotel name, select Other and enter the hotel name in the Comments field.*
4. Select the **Lodging Location**.
5. Enter the total **Amount** of the hotel bill.
6. If applicable, indicate if the hotel expense is **Subject to Govt (GSA) Rate** and **Apply Gov (GSA) Rate** (for sponsored projects). If you have questions regarding whether your sponsored project funded hotel expense is Subject to Govt (GSA) Rate, please contact your [Sponsored Projects Finance Project Manager](#). If your trip is Subject to Govt (GSA) Rate, select **Yes**. Concur will prompt you to check the Apply Govt (GSA) Rate box and complete an itinerary. See the section on Creating a Travel Allowance Itinerary for GSA Rates.
7. Click to **Attach a Receipt Image** to this Expense

The screenshot shows the 'Available Receipts' section with the 'Receipts in Report' tab selected. It displays a grid of receipt images with the following details:

- Upload Receipt Image:** 5MB limit per file
- Receipt 1:** Uploaded: April 1, 2020 5:11 PM
- Receipt 2:** Uploaded: March 20, 2020 2:37 PM
- Receipt 3:** Uploaded: March 20, 2020 1:55 PM
- Receipt 4:** Uploaded: February 24, 2020 4:59 PM
- Receipt 5:** Uploaded: February 3, 2020 8:26 PM

A large red box highlights the 'Upload Receipt Image' button.

8. If you have **Available Receipts**, such as those you photographed using the Concur Mobile app or emailed to Concur, you can select them from here. If you saved your Receipt Image to your files, you can click to **Upload Receipt Image**.

Completing the Expense Itemizations

Itemizations must include all expenses that appear on your hotel bill. In the examples below, the hotel bill consists only of the room rate and taxes/fees for simplicity purposes. If you incurred other expenses that are reflected on your hotel bill, such as meals or parking, you must also include those in your itemizations with the correct Expense Type. Items which are not reimbursable by policy, such as in-room movies, must be itemized as Personal/Non-Reimbursable.

Room Rate is the Same Every Night of Your Stay

In this example, the Room Rate, taxes and other fees are the same for all nights of your stay.

1. Click the **Itemizations** tab and click **Create Itemization**

Amount	Itemized	Remaining

Itemizing Personal/Non-Reimbursable Items

If your hotel bill includes items that are not reimbursable, such as in-room movies or personal items from the hotel gift shop charged to your room, you should itemize your hotel expense to account for the total amount of personal/non-reimbursable items.

Creating a Travel Allowance Itinerary for GSA Rates

If your hotel expense is **Subject to Govt (GSA) Rate** and you selected the **Apply Gov (GSA) Rate** option in the Expense Details, you must create a **Travel Allowance Itinerary**. By creating an Itinerary, Concur automatically segregates your hotel/lodging expense above the GSA rate. If you have questions regarding whether your sponsored project funded hotel expense is Subject to Govt (GSA) Rate, please contact your [Sponsored Projects Finance Project Manager](#).

After initially creating your Travel Expense Report, you will be on the Manage Expenses screen of your Report.

1. Click **Travel Allowance** and select **Manage Travel Allowance**.

The Manage Expenses screen displays the following information:

- Conference \$0.00
- Not Submitted
- Report Details, Print/Share, Manage Receipts, and Travel Allowance dropdown menu.
- Buttons: Add Expense, Edit, Delete, Manage Travel Allowance, Combine Expenses, and Move to.

The Travel Allowances screen appears. If you previously created Itineraries, they would be listed in the Available Itineraries section, which you can use and assign to this report, if needed.

2. Click **Create New Itinerary** 1 **Create New Itinerary** to create a new itinerary for this Report. The screen to enter a **New Itinerary Stop** appears.

Note: If you used Concur Travel to book your itinerary, you can click **Import Itinerary** and edit departure times for each stop.

Completing the First Itinerary Stop (leg) of Your Trip

1. Enter the **Departure City**. You can type and select a matching city or select from previously entered cities.
2. Enter the departure **Date** and **Time**. This should be when you leave your home or office.
3. Enter the **Arrival City**.
4. The arrival **Date** defaults to the same day. You can change it, if necessary.
5. Enter the **Time** of arrival to the destination city. This should be the time you arrived at your hotel.
6. Click **Save**.

Completing the Second Itinerary Stop (leg) of Your Trip

In this example, the Second Itinerary Stop is the return home. The **Departure City** defaults to the arrival city of the previous stop and **Arrival City** defaults to the original departure city. It is possible to edit and then enter additional legs for multiple trip locations.

New Itinerary Stop

Departure City
San Francisco, California

Date: 07/17/2020 Time: 9:00 AM

Arrival City
New York, New York

Date: 07/17/2020 Time: 6:00 PM

1. Enter the departure **Date** and the departure **Time**.
2. Enter the Date and **Time** when you arrived at your home or office.
3. Click **Save**.

Viewing the Reimbursable Allowances Summary

The Reimbursable Allowances Summary tab displays the GSA hotel rate based on your itinerary trip location(s). The Allowance Limit displayed is for informational purposes and will not affect your reimbursement, which is based on your actual room rate.
