If you were required to submit a Pre-Trip Request, you will need to attach the approved Request to an Expense Report in order to be reimbursed for expenses. If you submitted a Travel/Cash Advance, you will need to attach the approved Request to an Expense Report in order to reconcile the advance.

**Attaching a Request to an Expense Report**

When reconciling a Request in an Expense Report, you can either create the Expense Report from the Request or you can create an Expense Report first and then import the Request into the Expense Report.

**Creating an Expense Report from a Request**

1. Click the **Requests** tab. The list of Active Requests appears. The Status of the Request you are reconciling must be Approved in order to attach it to an expense report.

2. Click **Expense** from the **Action** column.

Or, you can click the row to open the Request and click the **Create Expense Report** button.

Request details are automatically associated with the new Expense Report.

3. Click **Report Details** and select **Report Details** to enter any missing information indicated in the missing field(s) alert that appears at the top of the report.
Importing a Request into an Expense Report

1. After you have created an Expense Report, click **Report Details** and select **Manage Requests**.

2. Complete the required Expense details and click **Save Expense**. Continue adding Expenses as needed.
Submitting the Expense Report

1. After adding all the Expense Items into your Expense Report, click Submit Report and then Accept & Continue.

The Report Totals appears.

If you received a Cash Advance and did not use all of the funds, the amount you need to pay back to the University is indicated in Employee Pays.

2. Click Submit Report.
