A Requisition is a formal request from a department for a Purchase Order for goods or services. Requisitions are used for those purchases that cannot be made using other means such as a Purchasing Card (P-Card). After you submit a Requisition for approval, you can view its status, edit, cancel, or copy it to create a new Requisition. In addition, if you Requisition was approved, you can locate the Purchase Order number and information.

Searching for Requisitions
